Sub: Application for Junior PHP Programmer

Dear Sir/ Madam:

In response to your recent announcement, I hereby apply for the junior PHP programmer position in your company. I consider my academic backgrounds, skills, and work experiences are very suitable for this position that will hopefully be assets to your company.

In support of my application, I like to report that I hold a first class Bachelor (Hons.) degree in *Computer Science & Engineering* from East West University, Bangladesh, and a Master degree in *Software Engineering* from London Metropolitan University, London, UK.

I have solid knowledge in programming, designing and database handling. I have experience working in different programming languages like Java, Python, Django, Wagtail, PHP, HTML, HTML 5, CSS, JavaScript, Ajax, Json, API integration, Vue JS, Laravel 8/9, Codeigniter 4, Apache, MySQL, Xampp Server, Wordpress, Woocommerce and AWS. Therefore, I am skillful in problem solving methods and I am a quick learner. I am a backend developer but I am also well versed in front end designing. Currently I am working as a Freelancer so that I keep myself up to date with new technologies and its uses, new tools and computer languages.

In my previous work experiences, I have been strongly committed to work productively and cooperatively with others in a team environment in a way that fosters inclusive, respectful and productive working relationship with my colleagues and students. I am also a self-motivated and enthusiastic person with a strong commitment to ongoing learning. I have developed a range of other skills from my experiences, including oral and written communication, administrative work, developing and maintaining good relationship with stakeholders, providing consulting services to external bodies, working under pressure and creative problem solving, which add significant value to my contributions.

I have enclosed my curriculum vitae. I would be happy to provide with any other material upon request. I have the conviction that I am a well-qualified and deserving candidate for the applied position.

I thank you for your kind and best consideration and look forward to hearing from you soon.

With best regards.

Yours Sincerely,
